This song is in a 12/8 time signature. Don't worry too much about this, it is just a triplet 4/4 basically.

It is counted 1,2,3 2,2,3 3,2,3 4,2,3.

You could strum Down 3 times for each set of three, or Down, Up, Down, for each set of three. It wouldn't really matter. Do watch for the split bars.
