## A6

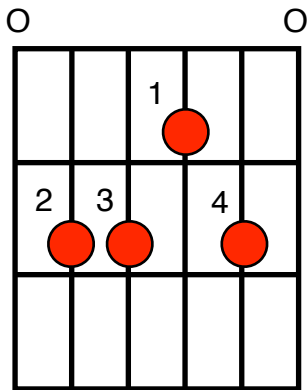

## D6

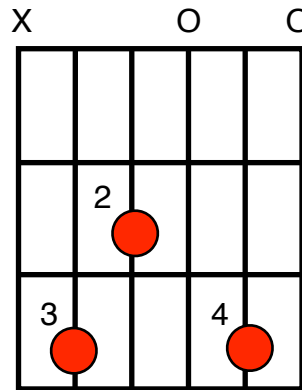

## G6

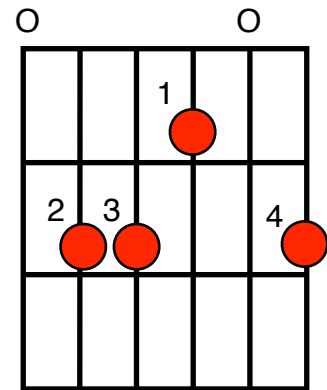

## E6

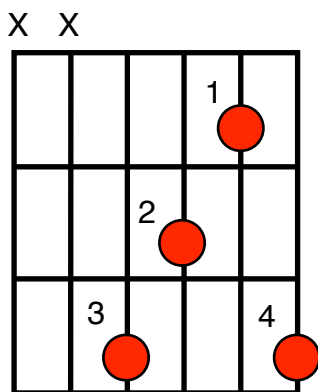

## Cadd9

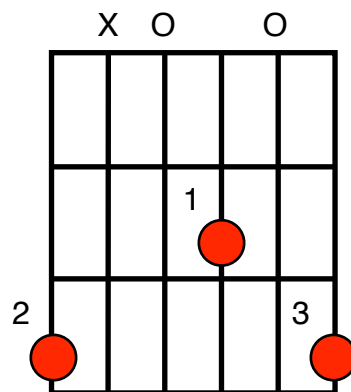

## Eadd9

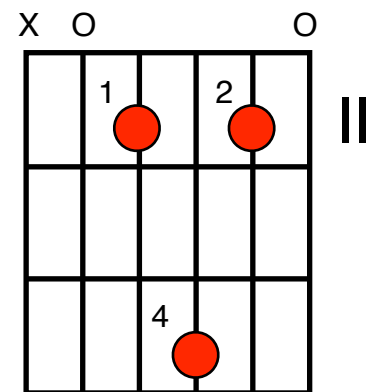

## Fadd9

## Gadd9

## Aadd9

Note the Gadd9 chord requires you to mute the A string with the pad of your 2nd finger. Also the Aadd9 chord starts at the 2nd fret, this is shown by the roman numeral II. These chords can add interest to your standard major chords, and are used in many songs.
