

# Whole Tone Scale 2 Octaves

davejonesguitar.co.uk

This a Whole Tone Scale starting on A, over 2 octaves. The black dots show the root notes, the red dots show the other notes in the scale.

The spelling of the whole tone scale is:-

1 2 3 #4 #5 b7

It is a very useful scale for soloing over augmented 5th chords, or 7#5 and 7b5 chords.
